Cyneans are a race of crystalline humanoids. Most spend their lives researching arcane mysteries of the world. They tend to be stoic and calm. They speak slowly, with much emphasis.

Other races tend to see them as slow and dull, but Cyneans tend to ponder and think about what they do before acting. In spite of this, Cynean have gained the respect of the other races of Exodus for their arcane might.

**NEW FEATS**

**Gem Soul** Know one additional spell of the spell highest level you know.

**Gem Soul, Improved** Your body is laced with rubies. Evocation spells you cast are cast as if your caster level was one higher and your spell DC is increased by 1.

**GAVEA**

The island of Gavea lies off the western coast of Exodus and its population was spared most of the horrors that ravaged the continent. With the establishment of the imperial Alliance, the Caneus Empire and the Dominion have targetted Gavea as a possible site for expansion. However, the will of the people is strong.

Gavea is mostly inhabited by humans grouped together by a complex system of clan alliances and marriage. Cyneans form the only other significant race found on the island. Only a single town exists, the Dominion-built port city of Barlow. The rest of the population live in isolated villages.

Gaveans are considered backwater and barbaric by mainlanders. Gavea is not part of the Imperial Alliance.
